## MINISTER'S MUSINGS

“Aslan is on the move.” We see this phrase used many times in C.S. Lewis’ Chronicles of Narnia series. If you have read these books, you know that Aslan is the great lion that represents God. Well, I would like to say that I believe that God is on the move at Discovery Christian Church. We have just completed 40 days of love, and we are seeing some significant growth in new visitors over these last few weeks. Many of our children’s classes and middle/high school classes are literally overflowing which is a great blessing. Our Three16 on Tuesday nights has been growing as well. But my question is, “Are we ready?” It’s almost as if God is saying to us, “Okay, you finished this love campaign and talking about loving me and loving others, let’s see what you learned. Here you go! Here’s a bunch of new people.” This reminds me of a Scripture: **1 Corinthians 3:5-7 says, “What then is Apollos? And what is Paul? Servants through whom you believed, even as the Lord gave opportunity to each one. I planted, Apollos watered, but God was causing the growth. So then neither the one who plants nor the one who waters is anything, but God who causes the growth.**

Many of us have opportunities every week to love people. We have many opportunities to plant the seed, some will have the opportunity to water the seed, but we have to remember that we are just servants doing what we have been called to do. God always causes the growth by blessing our work in the Lord. As we head into this Easter season, I would like to ask you to pray for DCC. Thank God for the new families that have been coming, but pray that we will be ready to meet people wherever they are in life with the hope of sharing God’s love with them. With growth comes many opportunities. Please lift up our education team in prayer as we make plans to handle this growth. Pray for qualified teachers to step up and stand in the gap. Pray for DCC to resist Satan when he rears his ugly head (and he will, you can guarantee that). This is a good time. God is on the move. Until next month, remember who you are! Come discover, come grow, come serve!

Phil

## **POWER LINE: Children's Ministry Connection**

March 19-20<sup>th</sup> our k-5<sup>th</sup> grade students will be going to Lake Aurora Christian Camp for "Camp Preview". This is a great time for these children to get a camp experience in an overnight stay. Don't forget to bring in your tents for the kids to use.

On March 28<sup>th</sup>, our Preschool kids will be having a Pizza lunch at the Church. This will be following church services. Each child is asked to bring \$6.00 and a 2 liter drink. This will be a great time for DCC's youngest children to have a time of fellowship.

Also, a reminder to bring in candy for the April 3<sup>rd</sup>, Easter Egg Hunt.

## **MISSIONS MOMENT**

Hello everyone from your Missions team. First the who is who of the Missions team (Feel free to ask any team member about our Missions program) Marianne Baker, Amy Dimond, Irene Sheridan, Ken & Pat Smith, Phillip Smith, Robert & Shirley Townsend Sr, and Chris Wilson.

The team is responsible to oversee the use of the funds given to Missions by our Church Body. The task is not an easy one because there is such great need on the Mission field and a limited amount of resources to go around. As noted by Phil, the team has made some changes in the division of the funds we presently had. New is a scholarship fund and an emergency fund. There is a need for both of these new additions to Missions.

If you have questions about or would like to become involved in Missions please see one of the Team members. After all Jesus said GO! If you can't go, send your money. The most important thing in successful Missions is to take care of the material needs so the Missionaries can take care of the spiritual.

Watch this space for updates and special needs.

Ken
